Senior Web Engineer - Equakecreative - Remote/Contract

Equakecreative is a branding and product development agency based in San Diego, California since 1999.

We assist our partners by telling their incredible stories online and build products that fans love and deeply engage with. Our expertise has allowed us to work alongside many world-class partners and brands.

We'd be thrilled for you to bring your skills and leadership to our team, accelerating our mission to impact businesses around the globe in the most positive way.

Purpose

The Senior Web Engineer will be responsible for designing, developing, and testing technical solutions and contributing to the team delivering a quality product that meets the client requirements. The engineer should also have a solid understanding of American major league sports including but not limited to NFL, NBA, and NHL. They will also act as a mentor within the overall team.

Key Responsibilities

- Understand and be able to communicate the technical concepts and the client requirements to ensure delivery of a high-quality technical solution
- Understand and be able to explain the roles and responsibilities within the team and how to work within an Agile environment
- Provide clean code to ensure consistent delivery of high quality to the standard expected within the team
- Perform peer code review and provide constructive feedback
- Create user stories and oversee other team members in this process
- Contribute to technical documentation for implementation

Experience, qualifications, and skills

- Minimum of 5 years experience, preferably in sports and entertainment-related company
- Proficiency in HTML/XHTML/CSS, HTML5/CSS3, NodeJS (backend), and React (frontend)
- Understanding of SQL commands and ORMs and how to backup and restore a database
- Knowledge of QA processes and tools or any frameworks
- Understanding of continuous integration process and tools
- Experience with AWS, Azure, and/or other cloud providers
- Basic knowledge of Docker containers and Redis desired
- Awareness of the current American sports betting landscape

Apply by emailing your resume and a cover letter explaining your motivation and how you are the best suited for this role. Email: *equakecreative@gmail.com*
